

Climate Change and Fearful Hopes

Please join us for a reception

An interdisciplinary, international project
on climate change and the “year without summer”
will be presented by students from
the University of Glasgow and the University of Mainz
followed by a reading (in English) by the poet

Daniela Danz

recipient of the German Award for Nature Writing

Friday, 22 April 2022
6.00 p.m. to 7.30 p.m.

Lothian Chambers, W Parliament Square

Please R.S.V.P. by 19 April to ku-100@edin.diplo.de
