

Climate Change and Fearful Hopes

Please join us for a free event at the Goethe-Institut Glasgow

An interdisciplinary, international project
on climate change and the “year without summer”
will be presented by students from
the University of Glasgow and the University of Mainz
followed by a reading (in English) by the poet

Daniela Danz

recipient of the German Award for Nature Writing

Wednesday, 20 April 2022
5.00 p.m. to 6.30 p.m.

All Welcome!

At the Goethe-Institut Glasgow, 3 Park Circus, Glasgow G3 6AX
